Dated the 28th October, 2022

MESSAGE

The Vigilance Awareness Week this year is being observed from 31st October, 2022 to 06th November, 2022 with the theme "भ्रष्टाचार मुक्त भारत – विकसित भारत" "Corruption free India for a developed Nation".

Hon'ble Prime Minister has also given a call to eradicate corruption from public life for a sustained development. It is therefore imperative that the public must be motivated to fight against corruption to achieve the goal of "Corruption free India".

E-governance, systemic improvements in procedures, minimal discretion, technology-based procurement and automation are the right tools to reduce corruption. Identifying and implementing preventive measures will also go a long way to fight corruption effectively.

Observance of the Vigilance Awareness Week is one of the tools to bring together all stakeholders to collectively participate in the fight against corruption and to raise public awareness about this.

I, on behalf of Vigilance Wing, would like to invite you all to join our efforts in creating and nurturing an atmosphere which motivates everyone towards weeding out corruption and unethical practices in MTNL.
